

PERSONAL CLAIM REPORTING INFORMATION

*Please report your claim as soon as possible directly to your insurance company.
It will be helpful to have your policy number ready when you make the call.*

- **If you have an auto claim**, please provide as much information as possible regarding all vehicles, drivers, passengers and pedestrians involved in the accident including name/address/phone, insurance company, policy number, license plate number, and police report number.
You must report within 10 days any accident occurring in New York State causing a fatality, personal injury or, damage over \$1000 to the property of any one person.

- **If you have a property claim**, please take necessary and reasonable steps to protect your property from further damage including emergency or temporary repairs, boarding up or tree removal.
