

Personal Claim Reporting Information

Please report your claim as soon as possible directly to your insurance company. It may be helpful if you have your policy number ready when you make the call.

Please refer to the telephonic 24 Hour Claim Reporting numbers listed below.

- **If you have an auto claim**, please provide as much information as possible regarding all vehicles, drivers, passengers and pedestrians involved in the accident including name/address/phone, insurance company, policy number, license plate number, and police report number.

You must report with 10 days any accident occurring in New York State causing a fatality, personal injury or, damage over \$1000 to the property of any one person.

- **If you have an automobile /glass only claim**, please report ***directly*** to your auto insurance carrier also.
- **If you have a property claim**, please take necessary and reasonable steps to protect your property from further damage including emergency or temporary repairs, boarding up or, tree removal.
